

PUBLIC NOTICE OF RESOLUTION ADOPTION, Notice is hereby given that the following Resolution 2014-09 was adopted by the San Dieguito Water District:

**RESOLUTION 2014-09
A RESOLUTION OF THE BOARD OF DIRECTORS
OF SAN DIEGUITO WATER DISTRICT
DECLARING A DROUGHT RESPONSE LEVEL 2 CONDITION
FOR SAN DIEGUITO WATER DISTRICT**

WHEREAS, on January 17, 2014, Governor Brown issued a proclamation of a state of emergency under the California Emergency Services Act based on continued drought conditions; and

WHEREAS, on April 25, 2014, Governor Brown issued a proclamation of a continued state of emergency under the California Emergency Services Act based on continued drought conditions; and

WHEREAS, the drought conditions that formed the basis of Governor Brown's emergency proclamations continue to exist; and

WHEREAS, the present year is critically dry and has been immediately preceded by two consecutive dry years; and

WHEREAS, on July 15, 2014, the State Water Resources Control Board implemented emergency regulations intended to place mandatory restrictions on outdoor water use; and

WHEREAS, these emergency regulations require each urban water supplier to implement all requirements and actions of the stage of its water shortage contingency plan that imposes mandatory restrictions on outdoor water use; and

WHEREAS, on August 27, 2008, the San Dieguito Water District's Board of Directors adopted a Drought Response Conservation Program Ordinance; and

WHEREAS, the Drought Response Conservation Program Ordinance establishes regulations to be implemented during times of declared water shortages and contains four levels of drought response actions to be implemented in times of shortage, with increasing restrictions on water use in response to worsening drought conditions and decreasing available supplies; and

WHEREAS, the Drought Response Conservation Program Ordinance implements mandatory water use restrictions at a Drought Response Level 2 Condition and above; and

WHEREAS, the San Dieguito Water District noticed a meeting of the Board of Directors to be held on August 20, 2014, to consider declaring a Drought Response Level 2 Condition.

NOW, THEREFORE, IT IS HEREBY RESOLVED, DETERMINED AND ORDERED by the Board of Directors of San Dieguito Water District as follows:

1. That Board of Directors hereby finds and determines that the foregoing Recital and the matters set forth therein are true and correct.
2. A Notice of a Regular Meeting of the Board of Directors was given. At the time and place set for the meeting, this Resolution was considered and the Board of Directors heard and considered the comments of all persons appearing at the meeting and all written comments submitted prior to the close of the meeting.
3. The District hereby finds, determines, and declares that a Drought Response Level 2 Condition exists in the San Dieguito Water District service area.
4. During a Drought Response Level 2 Condition, the water conservation measures and water use restrictions established in the Drought Response Conservation Program Ordinance are mandatory and violations are subject to criminal, civil and fees and remedies specified in the Drought Response Conservation Ordinance.
5. All persons using San Dieguito Water District water shall comply with Drought Response Level 2 Condition water use restriction except where recycled or private well water is used:

- a. Stop washing down pave surfaces, including but not limited to sidewalks, driveways, parking lots, tennis courts, or patios, except when it is necessary to alleviate safety or sanitation hazards.
 - b. Stop water waste resulting from inefficient landscape irrigation, such as runoff, low head drainage, overspray, etc. Similarly, stop water flows onto non-targeted areas, such as adjacent property, non-irrigated areas, hardscapes, roadways or structures.
 - c. Irrigate residential and commercial landscape between 6 p.m. and 8 a.m. only.
 - d. Use a hand-held hose with a positive shut-off nozzle or bucket to water landscaped areas, including trees and shrubs located on residential and commercial properties that are not irrigated by a landscape irrigation system.
 - e. Irrigate nursery and commercial grower's products between 6 p.m. and 10 a.m. only. Watering is permitted at any time with a hand-held hose equipped with a positive shut-off nozzle, a bucket, or when a drip/micro-irrigation system is used. Irrigation of nursery propagation beds is permitted at any time. Watering of livestock is permitted at any time.
 - f. Wash vehicles using a bucket and a hand-held hose with positive shutoff nozzle, mobile high pressure/low volume wash system, or at a commercial site that re-circulates water on-site. Avoid washing during hot conditions when additional water is required due to evaporation.
 - g. Serve and refill water in restaurants and other food service establishments only upon request.
 - h. Offer guests in hotels, motels and other commercial lodging establishments the option of not laundering towels and linens daily.
 - i. Limit residential and landscape irrigation to assigned days per week on a schedule established by the General Manager.
 - j. Limit lawn watering and landscape irrigation using sprinklers to time limits per watering station per assigned day as established by the General Manager. This provision does not apply to landscape irrigation systems using water efficient devices, including but not limited to weather-based controllers, drip/micro-irrigation systems and stream rotor sprinklers.
 - k. Repair all leaks within 72 hours of notification by the San Dieguito Water District unless other arrangements are made with the General Manager.
 - l. Stop operating ornamental fountains or similar decorative water features unless re-circulated water is used.
6. Implementation of drought rates, restrictions on new service connections and suspension of annexations to the District service area will not be implemented at this time but shall be considered at a later date should the San Diego County Water Authority require mandatory water demand reductions for member agencies.

PASSED AND ADOPTED at a meeting of the Board of Directors of San Dieguito Water District held on August 20, 2014, by the following vote:

AYES: Barth, Gaspar, Kranz, Muir, Shaffer.
 NOES: None.
